Important

We request you to be completely thorough in providing information requested below, to Genesis Global School. Many scholars over the years have had a variety of medical and psychological difficulties which have not, in any way, interfered with their success at Genesis Global School; however, for the scholar's own safety and health, the medical staff must be aware of such problems.

Please check every condition that applies to your ward and provide detailed comments, including date of the condition, medication and current status of the condition. Use additional pages or support the document with medical reports, if necessary.
